When tax returns and pay stubs don't tell the whole story, Non-QM can. Figures below are **typical ranges across our lender partners** — "as low as" and "up to" reflect the best case for a strong borrower, so your scenario may differ.

PROGRAM	BEST FOR	HOW INCOME IS DOCUMENTED	MIN FICO	MAX LTV	MAX LOAN	OCCUPANCY	RESERVES	NOTES & WATCH-OUTS
Bank Statement 12 or 24 months · personal or business	Self-employed owners, 1099/commission and gig earners whose tax returns understate real cash flow.	12 or 24 months of personal *or* business bank statements. Business statements use a 50% fixed expense factor, a CPA/EA/tax-preparer expense ratio, or a third-party P&L. About 2 years self-employed.	As low as 620 most programs 660–680	Purchase: up to 90% Cash-out: up to 80% typical 80–85% / 70–80%	Up to $3M–$4M	Primary, second home, investment	3–12 months PITIA, by loan size & LTV; cash-out proceeds often count	DTI up to 50% (55% on some). Top LTVs need higher FICO and smaller loans.
Asset Depletion / Utilization	Retirees, investors and high-net-worth borrowers with large balances but little taxable income.	Income = eligible assets (after down payment, closing costs and reserves) ÷ a set number of months — commonly 60–84 (range 36–120). No tax returns or pay stubs; some programs skip DTI. Retirement funds often counted at 70–90%.	As low as 600 most 660–720	Purchase: up to 80% Cash-out: up to 75% some programs: no cash-out	Up to $3M–$4M	Primary, second home; investment on many (some primary only)	3–12 months PITIA	Assets must be seasoned and documented. Crypto counts only if liquidated (select programs). Credit events: 48–60 months.
P&L Only 12 or 24 months	Self-employed borrowers with clean books who'd rather not use bank statements or tax returns.	P&L prepared by a CPA, EA or licensed tax preparer. Some programs also ask for 2 months of bank statements.	Typically 660+	Purchase: up to 80% Cash-out: 70–80% some programs cap at 70–75%	Up to $3M	Primary, second home, investment (varies)	Varies by loan size & LTV	DTI up to 50%. Credit-event seasoning about 36 months.
1099 Only 12 or 24 months	Independent contractors, consultants and commission earners paid on 1099s.	12 or 24 months of 1099s, often with a 10% fixed expense ratio; a current pay stub or bank statement showing deposits.	620–680	Purchase: up to 80% up to 90% on select expanded programs	Up to $3M+ on expanded-doc programs	Primary, second home, investment (varies)	Varies by loan size & LTV	Some programs require self-employed status. Cash-out limits are lower.
WVOE Only	Employees whose employer will complete a written verification of employment.	Employer-completed Written Verification of Employment, typically in place of full tax-return documentation.	Typically 680+	Purchase: up to 80% Rate/term: 75% · Cash-out: 70% some programs max 75%	Up to $2M some $1M	Primary only on some; all occupancies on others	Varies by lender	DTI 50%. Interest-only available on some programs.
DSCR investor cash-flow	Real-estate investors buying or refinancing rentals, including short-term rentals.	Qualify on the property's rent ÷ PITIA (lease or appraiser's market rent). No W-2s, tax returns or DTI.	As low as 620 most 660+	Purchase / rate-term: up to 80% (85% on one purchase-only program, 740+) Cash-out: up to 75%	Typically $100K–$3M some higher	Investment only (1–4 units)	Typically 3–12 months PITIA	Min DSCR 1.00 typical; sub-1.00 and no-ratio options with lower LTV. Short-term rentals often take a ~5% LTV cut. Prepayment penalties common.
ITIN no SSN	Borrowers who file taxes with an ITIN instead of an SSN.	Valid ITIN (often issued/filing history of 2+ years), government photo ID; income by full doc, bank statement, 1099 or P&L.	About 660 no-score options on some	Purchase: up to 80% Cash-out: 65–75%	$1M–$1.5M	Primary, second home, investment on many	Varies by lender	Escrows required. Credit-event seasoning about 48 months. DTI 50%.

PROGRAM	BEST FOR	HOW INCOME IS DOCUMENTED	MIN FICO	MAX LTV	MAX LOAN	OCCUPANCY	RESERVES	NOTES & WATCH-OUTS
Recent Credit Event BK / foreclosure / short sale	Borrowers rebuilding after a bankruptcy, foreclosure, short sale or deed-in-lieu.	Full-doc or alt-doc (bank statement, 1099) with the event measured from completion/discharge.	As low as 620	36+ months: standard LTV 24–35 months: up to 70% 12–23 months: up to 60% under 12 months: not eligible (one program)	Up to $2.5M one program	Primary, second home, investment (varies)	6 months PITIA on loans > $1M (one program)	First-time buyers: 48 months. Other programs allow 12 months with 15% LTV cut and no cash-out.
Foreign National see our separate flyer	Non-U.S. residents buying a second home or investment property.	Passport + visa (where applicable); no SSN or U.S. credit score on many programs; DSCR or asset-based qualifying.	No U.S. score needed on many programs	Purchase: up to 75% Cash-out: 60–65%	Up to $3M typical $1.5M–$2M	Second home, investment	6–12 months PITIA (lower on some smaller loans)	LTV steps down as loan size rises. Citizens of OFAC-sanctioned countries are not eligible.
