FOR REALTOR PARTNERS

Let’s lock in your co-brand kit

Hi there — I’m James Barnes, Senior Loan Officer with Nexa Lending. When we build marketing together — buyers kits, flyers, CMAs, seller net sheets, and social graphics — I want **your** name, headshot, logo, and colors on every piece.

That’s what the short **Agent Co-Brand Intake** form is for. You fill it out **once**. I keep your profile on file and reuse it on every co-branded deliverable, so turnaround is faster and your branding stays consistent.

What one profile unlocks

- Co-branded headers & footers on kits and flyers
- CMAs in Todd Smith format with your branding
- Net sheets & social graphics that match your look
- Call / Text / Email buttons your way

Have ready (~5 minutes)

- Clear headshot (JPG/PNG)
- Personal and/or brokerage logo
- Primary & secondary brand colors (hex)
- License #, brokerage disclaimer, markets

Need to update later — new headshot, brokerage, or colors? Email me or resubmit the form and I’ll replace the old profile. Questions? **Call James** at (512) 228-8124.
