Estimated Monthly Payment

What owning this home at **$319,000** could cost each month under four common loan scenarios. **These are estimates for planning, not a quote, Loan Estimate or commitment to lend.**

	Conventional 20% down 6.874%	Conventional 5% down 6.874%	FHA 3.5% down 6.250%	VA 0% down 6.250%
Down payment	$63,800	$15,950	$11,165	$0
Base loan	$255,200	$303,050	$307,835	$319,000
Financed fee (FHA UFMIP / VA funding fee)	–	–	$5,387	$6,858
Total loan amount	**$255,200**	**$303,050**	**$313,222**	**$325,858**
Principal & interest	$1,676	$1,991	$1,929	$2,006
Mortgage insurance (est.)	–	$124	$141	–
Property tax	$541	$541	$541	$541
Homeowners insurance (est.)	$160	$160	$160	$160
HOA	$0	$0	$0	$0
Estimated monthly payment	**$2,377**	**$2,815**	**$2,770**	**$2,707**

How these were estimated

• **Rates (illustrative, not a locked quote):** Conventional scenarios use **6.874%** from Nexa's Texas rate pull on Nov 5, 2026 for Conventional 5% down / 720 FICO (Travis County $400k scenario). **Conventional 20% uses the same note rate as a planning assumption** because a separate 20%-down quote was not on that pull — 20% down often prices better; ask James for a personalized Loan Estimate. FHA and VA use **6.250%** from the same Texas pull (680 FICO scenario).

• **FHA:** upfront MIP 1.75% financed; annual MIP 0.55% of base loan. **VA:** first-use funding fee 2.15% financed (varies with prior use / down payment / disability exemption); VA eligibility required.

• **Conventional 5%:** PMI assumed at 0.49%/yr of the loan (planning assumption ~700 FICO per James's APR notes); real PMI is quoted by the lender.

• **Taxes / insurance / HOA:** $6,490 / yr (2026 tax amount per BHHS / ezhomesearch; 2025 billed $6,137 on Realty). Insurance 0.6% of price/yr (estimate). HOA: Atascosa Estates association (dollar amount not verified in public feeds; shown as $0).

• National benchmark only: Freddie Mac PMMS 30-yr fixed **7.18%** (week of 11/5/2026 per local PMMS capture) — not used in the table above.

Bell County property; rate-sheet scenario was Travis County. Actual rate, APR, and payment depend on credit, LTV, occupancy, and lock. Ask James for numbers on this exact address.

Good to know

- Assumes **no seller credits** and that the seller pays the owner’s title policy (negotiable).
- **Not included:** earnest money, inspections, moving costs, discount points.
- FHA UFMIP and VA funding fee are **financed** (payment page), so not in cash to close.
- Fee amounts follow the Nexa estimate template with **Texas** recording/tax-certificate placeholders.

Your Path to Closing

Prequal → offer → inspection / appraisal → closing

1 Get pre-approved

Talk with James and complete the application so he can review income, assets and credit. A pre-approval letter shows sellers you are serious and clarifies your real price range before you tour.

2 Tour the home and make an offer

Linda Torres can arrange a showing of 1026 Antelope Trail. When you are ready, Linda helps you write an offer: price, earnest money, financing type, inspection and closing dates. Include your pre-approval letter.

3 Inspection and appraisal

Once under contract, schedule the home inspection and negotiate repairs within contract deadlines. Your lender orders the appraisal while underwriting verifies your file and issues clear-to-close.

4 Closing

You receive your Closing Disclosure at least three business days before closing. Do a final walk-through, bring cash to close as instructed by the title company, sign, and get your keys.

Typical timeline

Timing depends on the contract dates, your documents, and appraisal and title turn times. Responding quickly to document requests is the best way to keep the closing date.

Texas down payment assistance: TSAHC

The Texas State Affordable Housing Corporation (TSAHC) describes down payment / closing-cost assistance of **up to 5% of the loan amount** through a participating lender, with grant or deferred second-lien options, under programs including **Homes for Texas Heroes** and **Home Sweet Texas**, plus Mortgage Credit Certificates for eligible first-time buyers. Income and purchase-price limits apply. Source: tsahc.org/homebuyers/homebuyer-programs (checked Nov 5, 2026). Ask James whether a TSAHC option could fit; this is not a commitment to lend and Nexa participation was not independently verified for this kit.
