Killeen, TX 76542 · Yowell Ranch Ph V · MLS #622867

KILLEEN · ~80+ DAYS THIS RUN

$280,000 after two cuts

Opened at $300,000 on Aug 17, 2026 · now competing with Yowell listings near $270k

Findings at a glance

Two price cuts; still ~80+ days this run. Listed Aug 17, 2026 at $300,000 (MLS #622867). Reduced to $289,900 on Oct 8 and to **$280,000** on Oct 15 (Coldwell Banker Homes price history). Realty.com showed about **81 days** on market when checked Nov 5, 2026.

Same-neighborhood competition is asking less per foot or similar money for more house. Active Yowell Ranch comps nearby: **9702 Adeel Dr** at $270,000 (1,997 sf, ~$135/sf) and pending **3211 Malmaison Rd** at $270,000 (2,058 sf, ~$131/sf). Subject at $280,000 / 2,020 sf is about **$139/sf**.

Earlier listing run did not result in a recorded close. Compass / CTXMLS history shows a prior run listed Jan 21, 2025 at $299,000 (MLS #567613) and withdrawn May 23, 2025 — so this address has been marketed before the current Aug 2026 listing.

What is working on paper. 2022 build, 4/2, open plan, Yowell amenities, Fort Cavazos proximity, and the listing already shows a clear “Price Adjusted!!! $280,000!” message. Tax billed ~$4,980 (2025). HOA ~$99/quarter.

Suggested next steps

1. **Re-check price vs live Yowell competition**
   Subject is close to Adeel / Malmaison asks but still a bit higher on a $/sf basis after two cuts. A fresh side-by-side with Linda's preferred comps (and buyer payment illustrations) keeps the conversation factual.

2. **Keep financing options visible to buyers**
   Listing terms include Conventional, FHA, Texas Vet and VA. Pairing the listing with a Buyer's Kit and pre-approval CTA helps military and first-time buyers near Fort Cavazos act faster.

3. **Use the interactive seller check-up**
   Why Isn't My House Selling? plus this one-pager give the seller a clear, shareable summary without guessing at condition issues we have not inspected.

4. **Decide the next price / marketing move with evidence**
   After ~80 days and two cuts, the next change should be deliberate — not speculative. James can supply buyer payment cards at alternative list prices if Linda wants them.
