How these were estimated

• **Rates:** FHA **6.250%**, VA **6.250%**, Conventional **6.874%** — James's Texas par rates pulled **Mon, Nov 9, 2026 at 10:06 AM MT** (Pennymac / Lender Price via Rate Bot (Texas par, 30-year fixed, 30-day lock)). Sheet priced on a $400,000 Travis County scenario at 680 (FHA/VA) and 720 (Conventional) FICO; credit scores here are assumed, not verified.

• **FHA:** UFMIP 1.75% financed ($3,030); annual MIP 0.55% of base ($79.35/mo). **VA:** first-use funding fee 2.15% financed ($3,857); assumed first use, not disabled.

• **Conventional 5%:** PMI est. 0.32%/yr ($45.45/mo) per Loan Estimate. **Conventional 20%*:** same 6.874% note rate, no PMI; not on the Loan Estimate — planning estimate only.

• **Taxes / insurance / HOA:** Tax $3,188/yr = $265.67/mo at 1.7771%. Insurance $89.70/mo (0.6% of price). HOA $0/mo.

Good to know

- Assumes **no seller credits**. *Owner’s title customarily seller-paid in Texas ($0 to buyer; TDI basic premium ~$1,172 if buyer paid). Lender’s T-1 is $100 with owner’s policy (TDI R-5).
- **Not included:** earnest money, inspections, moving, discount points, HOA transfer, prorations, prepaid interest, repairs.
- FHA UFMIP and VA funding fee are **financed** (not in cash to close). Cash to close = down payment + cash closing costs.
- Rates / fees source: Pennymac / Lender Price via Rate Bot (Texas par, 30-year fixed, 30-day lock), Mon, Nov 9, 2026 at 10:06 AM MT. Conventional 20%* is an estimate, not on the Loan Estimate.

Your Path to Closing

Prequal → offer → inspection / appraisal → closing

1

Get pre-approved

Talk with James and complete the application so he can review income, assets and credit. A pre-approval letter shows sellers you are serious and clarifies your real price range before you tour.

2

Tour the home and make an offer

Zach Backor of Keeping It Realty can arrange a showing of 622 Campus Street. When you are ready, Zach helps you write an offer: price, earnest money, financing type, inspection and closing dates. Include your pre-approval letter.

3

Inspection and appraisal

Once under contract, schedule the home inspection and negotiate repairs within contract deadlines. Your lender orders the appraisal while underwriting verifies your file and issues clear-to-close.

4

Closing

You receive your Closing Disclosure at least three business days before closing. Do a final walk-through, bring cash to close as instructed by the title company, sign, and get your keys.

Typical timeline

Timing depends on the contract dates, your documents, and appraisal and title turn times. Responding quickly to document requests is the best way to keep the closing date.

Texas down payment assistance: TSAHC & TDHCA

Texas offers several down-payment / closing-cost programs. **TSAHC** describes assistance of about **2-5% of the loan** via grant or deferred second-lien options under programs including **Home Sweet Texas** and **Homes for Texas Heroes**, plus Mortgage Credit Certificates for eligible buyers. **TDHCA** My First / My Choice Texas Home programs similarly offer 2-5% assistance. Income and purchase-price limits apply; minimum FICO often 620. Sources: tsahc.org/homebuyers/homebuyer-programs and James's Texas DPA summary (mtg.broker, Nov 1, 2026). Ask James whether a TSAHC or TDHCA option could fit; this is not a commitment to lend.
