PAR RATES FHA **6.25%** VA **6.25%** Conventional **6.874%** · 30-year fixed · 30-day lock · as of Mon, Nov 9, 2026 at 10:06 AM MT

Estimate for James to review

Today's par rates. These are James's par rates pulled Mon, Nov 9, 2026 at 10:06 AM MT (Pennymac / Lender Price via Rate Bot, 30-year fixed, 30-day lock). The rate sheet was priced on a $400,000 purchase scenario (Travis County, TX 78704) at credit scores of 680 (FHA, VA) and 720 (Conventional); credit scores here are assumed, not verified, and pricing for these loan amounts and this property may differ.

List price from active MLS. 622 Campus St is Active MLS #629629 at $179,400 (listed 11/9/2026). 3 bed, 2 bath, 1,174 sq ft, built 2026 by Flintrock Builders. Sources: Trulia, Homefinder, Weichert.

Loan limit check (2026, Bell County). FHA limit $541,287 (HUD). Conforming limit $832,750 (FHFA). The FHA base loan here is $173,121, within the limit, so FHA is shown. The Conventional loan is $170,430, under the conforming limit by $662,320.

Total closing costs	$10,190	$11,080	$7,133
Down Payment	$6,279	$0	$8,970

Est. Cash to Close	**$13,439**	**$7,223**	**$16,103**

Closing costs shown include lender fees, title and escrow/settlement fees (lender's title policy, endorsements, closing fee, tax certificate, recording fees, survey) plus prepaids and escrows (14 months of homeowners insurance and 2 months of property taxes). **All amounts are estimates.** Final figures come from the title company and your purchase contract; seller concessions, HOA transfer fees, prorations, prepaid interest and repairs are not included.
*Texas: the owner's title policy is customarily paid by the seller, so it is shown as $0 to the buyer (the TDI-promulgated basic premium at this price is about $1,172; if the buyer pays it, add that amount). The lender's title policy is $100 when issued with an owner's policy (TDI Rate Rule R-5). Recording estimate: $25 first page + $4 per additional page (~18-page deed of trust and ~3-page deed).
Cash to close = down payment + the cash closing costs shown. The FHA upfront MIP and VA funding fee are financed into the loan, so not paid in cash. Origination is 1% of the base loan. Prepaid taxes and insurance, closing fee, tax certificate and recording are estimates.

Show the math

FHA

Down payment: 3.5% x $179,400 = $6,279; base loan = $179,400 - $6,279 = $173,121
Upfront MIP: 1.75% x $173,121 = $3,030 (financed); total loan = $176,151
Principal & interest: $176,151 at 6.250% for 30 years = $1,084.59 a month [P&I = L x i / (1 - (1 + i)^-360), i = 6.250% / 12]
Mortgage insurance (FHA MIP): 0.55% x $173,121 / 12 = $79.35 a month
Property tax: $3,188 a year / 12 = $265.67; homeowners insurance (estimate): 0.6% x $179,400 / 12 = $89.70; HOA: $0 a year / 12 = $0.00
Total monthly: $1,084.59 + $79.35 + $265.67 + $89.70 + $0.00 = $1,519.31
Cash closing costs = $7,160.34 (itemized above); estimated cash to close = $6,279 down + $7,160 = $13,439

VA

Down payment: 0% x $179,400 = $0; base loan = $179,400 - $0 = $179,400
VA funding fee (first use, 0% down): 2.15% x $179,400 = $3,857 (financed); total loan = $183,257
Principal & interest: $183,257 at 6.250% for 30 years = $1,128.34 a month [P&I = L x i / (1 - (1 + i)^-360), i = 6.250% / 12]
Property tax: $3,188 a year / 12 = $265.67; homeowners insurance (estimate): 0.6% x $179,400 / 12 = $89.70; HOA: $0 a year / 12 = $0.00
Total monthly: $1,128.34 + $0.00 + $265.67 + $89.70 + $0.00 = $1,483.71
Cash closing costs = $7,223.13 (itemized above); estimated cash to close = $0 down + $7,223 = $7,223

Conventional

Down payment: 5% x $179,400 = $8,970; base loan = $179,400 - $8,970 = $170,430
Loan amount = $170,430
Principal & interest: $170,430 at 6.874% for 30 years = $1,119.49 a month [P&I = L x i / (1 - (1 + i)^-360), i = 6.874% / 12]
Mortgage insurance (est.): 0.32% x $170,430 / 12 = $45.45 a month
Property tax: $3,188 a year / 12 = $265.67; homeowners insurance (estimate): 0.6% x $179,400 / 12 = $89.70; HOA: $0 a year / 12 = $0.00
Total monthly: $1,119.49 + $45.45 + $265.67 + $89.70 + $0.00 = $1,520.30
Cash closing costs = $7,133.43 (itemized above); estimated cash to close = $8,970 down + $7,133 = $16,103

Estimates only, for James to review. Sales price is the list price of $179,400, with no seller credit or concession. Rates are James's par rates for Mon, Nov 9, 2026 at 10:06 AM MT (from the Pennymac / Lender Price sheet via Rate Bot), 30-year fixed with a 30-day lock; they were priced on a $400,000 Travis County scenario at 680 (FHA, VA) and 720 (Conventional) credit scores, and the credit score for this borrower is assumed, not verified. Down payment: FHA 3.5%, VA 0%, Conventional 5%. Lender fee is $1,199 in place of the generic underwriting fee; origination is 1% of the base loan. FHA includes the 1.75% upfront MIP (financed) and 0.55% annual MIP. The VA loan includes the 2.15% first-use funding fee (assumed first use, not disabled), financed. Conventional mortgage insurance is estimated at 0.32% a year (an assumption, not quoted). Property tax $3,188 a year is an estimate: 1.7771% (Bell County 0.2995 + City of Troy 0.4092 + Temple College 0.2498 + Clearwater UWCD

0.0022 + Troy ISD 0.8164, per $100, 2026 rates, no exemptions) applied to the $179,400 list price; it has not been verified with the Bell CAD, and a homestead exemption could lower it. City of Troy 0.4092 is from the City FY 2026-27 adopted budget; Bell County / Troy ISD / Temple College from the Bell CAD 2026 chart as summarized by LRG Realty. HOA is shown as $0/mo: the active listing fee is null/$0 (Homefinder); a prior cycle on Houzeo showed $25/mo and was not used. **Homeowners insurance is an estimate** at 0.6% of the price a year; it has not been quoted. The 2026 conforming limit is $832,750 (FHFA) and the Bell County FHA limit is $541,287 (HUD ML 2025-23). Seller points and concessions are not included. These are estimates only, subject to change and credit approval, and are not a commitment to lend.
